$BEEPower© coin

Coin Backing Business Entity's Asset.

Email: business@macroansy.org

https://macroansy.org

Issue Date: 13 Dec 2018. Updated 03 June 2019.

This Agreement is deemed a formal agreement with regards to the firm Macroansy®'s $BEEPower Coin's formal Backing of Assets of Global Business Entities. The term 'coin' refers to $BEEPower Coin floated on Ethereum Block chain at this link below.

$BEEPower Coin Contract Link: https://etherscan.io/address/0x26d13bc704eeac5302ee27751d7873562d215a91

MAS© refers to Macroansy®. Websites refers to https://macroansy.org, https://macroansy.org/MASx and https://macroansy.org/MASt .

MAS SIGN© is a new Entity of Macroansy®, having an umbrella responsibility for 'Personal Signature on blockchain using crypto coin transactions' (PSB).

This agreement shall be signed along with 'web3.js Interface with Coin' agreement located at, https://macroansy.org/ICOMarch2018/ico-agrmnt-coin-web3js-intf-aug2018.pdf . This agreement is valid only when the above 'web3.js Interface with Coin' agreement is also signed together and both the agreement forms a package together.

General Explanation:

Coin Backing is the first new innovation in crypto currency domain, initiated by the startup Macroansy®. By this process Business Entities across the globe can formally accept their business entity asset to be backed by $BEEPower coin. To that effect the Business entity agrees to buy a percentage of $BEEPower Coins at the current Market Coin Price existing before the formal backing agreement. Agreement comes into effect after purchase of the $BEEPower coins and signing the Agreement online by PSB. The signing process is described at Entity MAS SIGN© on the website.

Agreement:

It is hereby agreed to a formal backing of the Business Entity's asset with $BEEPower Coin. The Business Entity is represented by their PSB at the end of this agreement.

% of Cold Reserve of $BEEPower Coin bought = _____ %, which amounts to __ million coins.

The Price of One $BEEPower Coin bought is agreed as _____ $US.

The Total Cost of this Buy = _____ $US millions.

Business entity Assets backed to the Coin and its Value:

...to be completed....

<u>Benefits accrued to the Business Entity for this Agreement:</u>

The Business Entity is identified through the ERC20 Ether wallet address used for signing the agreement and is deemed to be the ID of the Business entity.

As long as the the ID wallet Account holds $BEEPower Coins not less than 5% of the current market cap on every alternate months in a year from January through December, the Business Entity is endowed with rights of using the $BEEPower Coins at their websites and logos. Similarly the Business entity logos would be identified and displayed in an appropriate professional manner at $BEEPower coin Exchange and Trade Websites.

Formal Asset Backing enables the Business Entity a foundation to confidently trade seamlessly with their global partners for their own business processes. The Business Entity would have exclusive benefits for using MAS BP ev1.0, the enterprise release of Macroansy Business Process©, the core product of Macroansy®. The exclusive exact benefits would be endowed to the Business Entity as per Macroany® own policy every year.

The $BEEPower coin Market Coin Price and BenchMark prices, would be decided through a major consensus based on formal input from the Business entity, along the combined inputs from other Business entities who have signed this agreement. Macroansy® hereby confirms to oblige and execute the Market Coin Price and Bench Mark prices on such major consensus. In general the Market Coin Price is evaluated with the total business value pro-rated to the Hard cap of coin, and the BenchMark prices on exchange is limited to within certain fair percentage. Every year coin redeems would be accepted from the public and a part of the Gross Business revenue equal to the annual average 9 days Gross revenue in a year would be paid pro-rata to the coin redeems from the public. The Business Entities shall, for Coin Redeems, endow the related proportion of the Gross Business Revenue as per the asset share backed by the Coin. The exact process of coin redeems would be done in a fair and professional manner safeguarding value to the coin owners.

Macroansy® reserves the right to any other issues which cannot be perceived and explicitly mentioned herein including legal jurisdiction. Macroansy® declares that it has clearly specified its objective and purpose regarding the $BEEPower Coin's formal backing of the Business Entity.

This agreement also automatically supplement and comply with Macroansy®'s general Privacy Policy, Use Policy, Business Policy as published on their website, even if it does not specifically address this agreement, and it is deemed that those policies are general in nature and its essence and spirit is applicable to any international formal business process through which Macroansy® deals with its clients and customers.

_____

Formal Signing Procedure:

This formal online signing procedure is as per $BEEPower Coin's peer to peer 'Sell-Buy' procedure as described on MAS's website.

As per the above formal sign procedure, both the parties, the Seller(MAS) and the Buyer(Business Entity for backing their assets to the Coin), do hereby solemnly confirm that the following ERC20 wallet crypto currency accounts shall be considered as our true International Identification(ID) representing our Business Entities and the TxHash shall be considered as the instrument of formal acceptance of this agreement by our Business Entities. We hereby agree that this procedure shall be valid legally in any court of law.
