First issue: 04 Sep 2018. Updated: 15 Sep 2018.

This General Sale Agreement is deemed a formal agreement with regards to the firm Macroansy's Subscription Sale of MAS BP© ev 1.0, the Enterprise Model of the Macroansy Business Process 'Software As A Service' (SAAS) Framework, to the Global Business Enterprises. This in itself shall be considered as a formal acceptance deal for executing the Sale Order requirement from Global Enterprises, and no separate paper work agreement is required for this sale offer.

MAS© refers to Macroansy®. Website refers to <https://macroansy.org>.

The Global Business Enterprises includes but not limited to the following Business Sector Enterprises: Global Consulting firms, Banking and Financial Institutions, Government Registered Business entities, Government Institutions, United Nations and its affiliates, Education Institutions, Emergency Management Associations, Space Research Organizations, Global Technology Research Organizations, HealthCare Institutions, Logistics Services and other fair business practice entities.

Macroansy is registered (AQOPK8302RSD001, ST-2, 02 Mar 2011, Central Board of Excise and Customs, Ministry of Finance, Dept. of Revenue, Govt. of India) for Tax under Consulting portfolio at the city of Coimbatore, India and is a sole proprietor firm. Macroansy's single Founder P.T.Kumar, with alias business name as King Krish, has been the main Architect and Manager for developing the SAAS, MAS BP© ev1.0 FrameWork starting from Feb 2011. Macroansy has not gone for commercial business yet and hence not initiated yearly tax returns though. Macroansy would be established as a Private Limited company within a short period of functioning the startup. Macroansy is operating from founder's Home offices at Coimbatore and Chennai, India. Chennai Home office is proposed to be the formal operation centre for the startup. Network Admin, Computer Operators for 'Process Access and Payment' processing and online training personnel are the minimal personnel planned for the startup. Installation Time is Planned to be completed within 8 weeks from realizing the payment through wire transfer to our Bank Account in India.

MAS BP© works on a computing system consisting of Linux OS, Apache web server, HTML/CSS, JavaScript, PHP script, MySQL softwares. The Data Bases store the Profile ID of project team, and the business process data. Enterprise's Business Project Documents are not stored with Macroansy Servers, but stored at a url server path provided by the Enterprises's Computer Division.

MAS BP© is served as SAAS through a monthly subscription payment through PayPal. As a Startup, Macroansy has floated \$BEEPower crypto currency coin on Ethereum block chain to support its Business Development. Enterprises subscribing for MAS BP© ev1.0 are required to pay a one term installation cost of \$ 143K USD and an equivalent value of \$BEEPower coins would be credited to the Enterprise's ERC20 Wallet. The Tax components would be provided at the moment of sale and payment. This sale offer is for a limited period for the FIRST NINE Enterprises who signs and subscribes to this sale offer of Macroansy. \$BEEPower ICO coin white paper (published at <https://macroansy.org>) is an affiliated document deemed to be forming part of this agreement. \$BEEPower coins can be used for a formal seamless signing of business process agreement with globally distributed entities across continents. Details of the signing process are published at Macroansy's website <https://macroansy.org>.

The Budget for the payment will be utilized as follows: 25% on computing Hardware + 25% on operations + 50% for Founder's Development Bonus (accrued for the Business Development from 2011).

High End Server, Dedicated isolated Databases, One year Free Subscription, One year free online: advice, consulting support for project kickstart are the service benefits for this sale offer.

\$BEEPower Bonus coins are part of this sale offer. The amount of bonus coins would be confirmed as per availability at the time of sale finalization and payment realization.

MAS BP© provides Online Management of a typical Project Work Flow in a Consulting Business Environment dealing with Preparation and Issue of Documents of any Consulting Sector Project. This provides a basis for connecting a hierarchy of global teams with a Consulting Project having resources distributed globally. This brings a single formal project environment to the globally distributed project team from design offices to construction site offices and helps to remove the physical/manual interface bottleneck from 'subordinate to head and to owner' review of project documentation. Instant Real Time consumption of resources of manpower and cost accrued can be seen by the Top Executives of the Project Team.

Macroansy reserves the right to any other issues which cannot be perceived and explicitly mentioned herein including legal jurisdiction. Macroansy declares that it has clearly specified its objective and purpose regarding the SAAS sale of its product MAS BP©.

Apart from this agreement the authorized personnel of the Enterprise accepting this Sale Deal automatically comply with Macroansy's general Privacy Policy, Use Policy, Business Policy as published on their website <https://macroansy.org>, even if it does not specifically address this agreement process and it is deemed that those policies are general in nature and its essence and spirit is applicable to any international formal business process through which Macroansy deals with its clients and customers.
